P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Responsive to the NOTICE TO FILE CORRECTED APPLICATION PAPERS of June 28, 2004, having a shortened period for response set to expire on August 28, 2004, Applicant respectfully submits the following:

IN THE DRAWINGS

Please substitute the enclosed one (1) page of drawings in place of the previous single page of drawing. Figure 1 is re-presented with larger text.

REMARKS

In the Notice to File Corrected Application Papers, the Examiner has requested a replacement page for Figure 1 because of informalities in the size of the text.

In response, Applicant respectfully contends that the attached substitute drawing sheet satisfies the requirements of the U.S. Patent and Trademark Office under 37 C.F.R. § 1.84 and 1.121.

The drawing sheet has been prepared with the correct text size. Applicant has also tested that the page is able to be photocopied and scanned.

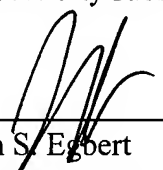

Applicant notes that no new matter has been added by the present amendments.

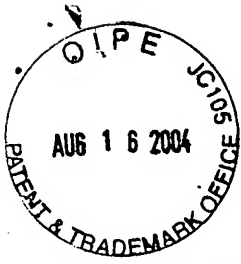

A copy of the Notice to File Corrected Application Papers is enclosed herewith.

It is now believed that the above-identified application is now in a condition for consideration on the merits and such is respectfully requested.

Respectfully submitted,
